Training Webinars

In lieu of monthly classroom training in Savannah, OnPoint is holding a series of webinars covering a variety of both basic and advanced Course Manager features. Administrators can sign up for any of the available sessions, so please review the schedule and agenda, and take this opportunity to update your knowledge in any system functionality of interest.

Upcoming Webinar Dates

Advanced Training - Analytics Dashboards

June 4th , 11AM - 12:30PM EDT

Register Today

Advanced Training - Group Classification/Dynamic Membership

June 5th, 11AM - 12PM EDT

Register Today

If you have any topic or feature suggestions for our upcoming webinars you'd like to attend, please contact Chad Ebel or your Engagement Manager and we will try and arrange to cover those areas of interest in the coming weeks.
